

2 Litre Commercial Comel Steam Iron

Brand: [Comel Ironing Equipment](#) **SKU:** SNAIL21

**Our best selling...
Commercial Iron**

**The Snail 2 Litre
by Comel**

Description

The Snail 2 Litre boiler and iron, made in Italy by Comel, is an excellent choice if you're thinking of upgrading from a domestic iron. Reliable, compact and with bundles of steam power, this is our bestselling commercial iron! The boiler and fittings are made of stainless steel, the outer body is steel with special heatproof plastic coating – built to last. Pressure switch and thermostat for safety. Solenoid mounted outside boiler for easy adjustment of steam flow and easy maintenance. Ideal for commercial Ironing. Includes Teflon Iron Shoe.

Who is this ideal for?

If you iron for 2-4 hrs per day, this iron will cope well. It's designed to be quick to heat up and can be refilled and ready to go again within 5-10 minutes. If you use the steam output at about the 50% mark, you should get 3 hours of continuous use. If you use the steam volume on its highest setting, the usage time will decrease to 1-2hrs.

What our expert says...

Comel is a highly reputable Italian brand, with an outstanding 40-year pedigree in the manufacture of commercial ironing equipment. If you're currently using a domestic iron, the Snail 2 litre is a perfect upgrade, it'll certainly last a lot longer and give you more power for your buck. We've tried and tested this model for more than 8 years and found that this little iron is a solid workhorse.
